

# BROAD INTERACTION MAP | THE SMITHS

Paige Cote, Mac-i Crowell-Ingram, Mason del Rosario, Carly Ingrao, and Madison May

## PERSONAS

Name: Kenny the Kid  
Age: 14 years old

Kenny is just beginning to gain independence from his family and uses blacksmithing both to help him live out the fantasies of his favorite historical fiction novels and to push his boundaries as a youngling.

Name: Andy the Academic  
Age: 23 years old

Andy is a grad student, studying engineering, and uses blacksmithing as a physical release and mental break from his academics. Having studied blacksmithing before becoming a grad student, Andy is now past learning the basics and focuses more on the artistry of blacksmithing.

Name: Mike the Mentor  
Age: 60 years old

Mike is a machinist, a family-man and above all else, a teacher. He mastered blacksmithing decades ago, but continues so that he can pass down this historical craft to the next generation of smiths.
